Ellen -

This has been a really decent year. Don't forget history class. It was the only Class I had with you but I'm glad because we have gotten to be pretty good friends. You are a very intelligent girl - I wish I had some of your smarts. You'll go far - believe me.

I hope you have an enjoyable summer - and I'll see you next year.

Best of luck always.

Some of those mean hours got pretty hassled. Next year you can help me with my chemistry & I'll help (?) you with Biology, OK? We're going to have a blast!!

Ellen,
I sure am glad I met a person such as you when I moved here two years ago. We've had a lot of fun on that Band trip and in Choristers and now in City Band this summer. I was real happy to have you in my 1st class this year. Have a happy summer. See you next year and I'll be over sometime to give you a ride on my motorcycle again.

You've Come A Long Way . . .

Ellen,
I figure I've come a long way in 3 years, so this page is for me! We only have one more year left, and then we're bound for something (I don't know what!) Remember all our fun times, and maybe next year you might be listed with the rest of us band people! Good luck -
Marsha Simpson '73

Ellen
Well, three years down, one to go! It's kinda sad, though, thinking how fast we're growing up. you know, I can see how people are getting us mixed up, we are sort of alike in our interests and looks and things. And that's quite a compliment to me. Ellen, don't work yourself too hard this summer, and will have to live it up next year. Good, Pam B. Ball

But There Were Some Anxious Moments . . .

We did it!

All for Monmouth stand up and yell.

Monmouth High School had its best basketball season this year since 1961. Not only did our cagers end with a 17-5 record, but they beat age old rival Galesburg. Lead by Jeff Linman, high scorer, the Zippers routed the Illio Conference to win its crown with an 11-1 conference record, bringing home the first conference championship in a major sport. Jeff Linman led in rebounds, Jack Stanton in free throws and Bill Woodall in assists. Not to be overlooked are guard Steve Moffet, center Scott Beecher and sixth-man Blake Barnes.

1972 was a very good year for basketball and one to be well proud of.

Kneeling: Manager Mike Schreck, Bruce Burgland, Butch Gaskill, Lonnie Johnson, Chris Bennett, Mark Romano, Kyle Johnson, Jim Kinney, Manager David Armstrong.

Snapper Spirit Never Fails

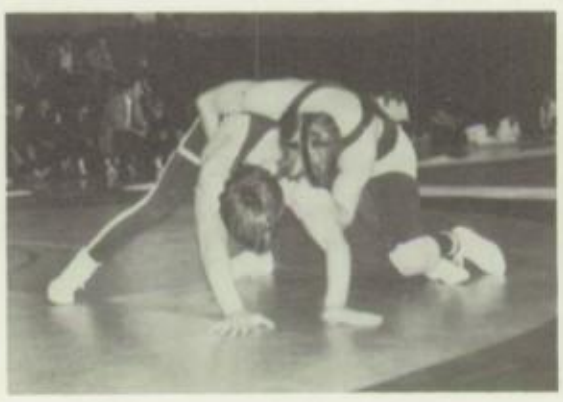
Members of the sophomore basketball team are: Standing: Coach Keener, Randy West, Roger Conard, Rory Shaw, Jim Petersen, Ed Stevens, Phil Dice, Steve Painter. Kneeling: Jeff Josephson, Joe Malmquist, Doug Spitz, Ray Talbott, Roland Sollenberger, Craig Mettler, Randy Lantz.

Wrestlers "Pin" Down 8-5-1 Record

Members of the wrestling team are: First Row: Ted Reed, Quist Malmquist, Rick Shane, Brad Erickson, Keith Patterson, Alan Wooters, Jeff Green, Dave Babcock, Dave Taylor, Randy Cook, Mitch Montgomery. Second Row: Rod Gaskill, Tom Epley, Harold Montgomery, Gary Kinney, Chuck Gavin, David McCrery, Dan Lubke, Lawrence Burton. Third Row: Coach Sassatelli, Kevin Eckley, Don Gladfelter, Richard Speck, Manager Jim Critser, Terry Ross, Jim Boyd, Managers Charlie Whitehall and Bob Paulsgrove, Coach Murphy.

The job of pinning down an 8-5-1 record was accomplished by this year's wrestling team. The tough, powerful grapplers placed a commending 6th at Illio and had a strong finish at district. Lawrence Burton, most valuable wrestler, is hailed as Monmouth's first Illio wrestling champion.

Wrestlers who placed at the 1972 Illio Conference Meet are: Standing: Chuck Gavin, Brad Erickson, Gary Kinney, Jim Boyd, Mitchell Montgomery, Kneeling: Lawrence Burton



Tankers Try Harder

Members of the swim team are: Back Row: Coach Yez, Chris McGee, Paul Gummerson, Norman Reyburn, Wes Bird John Arthur, Mark Deuger, Tom Arthur, Todd Barnett. Second Row: Managers Tom Frushour, Ricky Vickroy, Randy Clark, Jay Clark, Mike Ford, Brian Heady, Mike Brent, Lowell Melvin. Front Row: Pete Scholz, Jim Bergeron, Mark McGee, Howard Moffet, Tim Wells, Trevor Neal, Doug McClintock.

The 0-11 record of the swim team does not give the total picture of how the team has progressed. The results of many meets ended with very close scores, some closer than other years. With a fine team effort the Tankers finished a respectable tenth place at the district swim meet.

You'll never believe what I just saw down there!

Hall Of Fame

The Hall of Fame award is an award not easily attained. It requires an athlete to be dedicated to sports for nearly four straight years. The athletes nominated have met varsity lettering requirements at least seven times, including three letters in major sports. The award was obtained by five seniors who have spent much time and energy in acquiring the recognition. We extend our congratulations to these fine athletes.

Ellen,

Well kiddo' - one more year down the drain. No more Algebra for awhile. It was really fun tho' and history wasn't <u>that</u> bad. I really think I can say that you and Jody will do a great job next year on the annual. I'm looking forward to it because when we get it next year it will be just a few days until <u>we</u> graduate. One more year. I hope you get the big V or S — you deserve it. Keep it up and I'll see ya' around.

Anna '73

P.S. Good luck with a certain person from Michigan.

Ellen,

may all of your efforts and hard work be rewarded someday and may you receive all that you deserve.

ELLEN,

It's been a short year but it really was. I'm sure you know, I really didn't look at that way until I read what you put in my yearbook. But we have been buddies for three long years, but it was really short. I'll miss always nice to see and talk to somebody that thought it was a nice day (sometimes). Good luck and hope to see you around next year.
